# INTRODUCTION

**Multilingual Book Collections in Ontario Public Libraries** is a directory of the location of significant collections of multilingual books by library, language, and area in this Province.

The directory is divided into three parts. The first part lists alphabetically by library the language held by each library. The second part lists by language the number of volumes and sources of holdings and the third part lists the Ontario Library Service Areas and the Metropolitian Toronto Area with their member libraries and languages.
